

**Edge Factor's platform uses the power of storytelling to inspire people to explore, prepare, and connect on their Career Journey.**

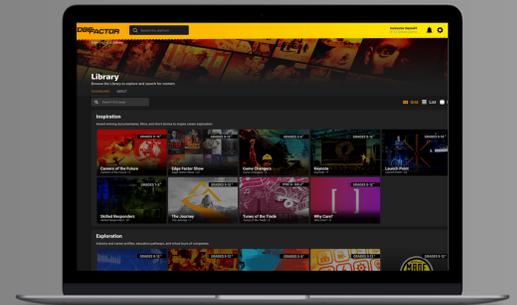

Edge Factor delivers unparalleled workforce and career development solutions through our platform, content creation, events, and partnerships. We use the power of storytelling to inspire learners of all ages to explore, prepare and connect on their Career Journey!

**PLATFORM MEMBERS:**

Schools, companies, and community leaders can access and share thousands of story-driven multimedia and activities in classrooms, homes, and at events. Learners can develop skills, and earn badges as they move forward in their Career Journey continuum through Inspiration, Exploration, Preparation and ultimately, Connection.

**LOCAL CONTENT:**

Edge Factor partners with companies from east to west, capturing stories of diverse and local people, companies, and programs. Community partners like Chambers of Commerce, can add pages and profiles to the platform on local companies - what they do and opportunities they offer, to make the ecosystem and local user experience personalized for their region, interconnected and dynamic.
