

# PROMOTE YOUR COMPANY ONBOARD NEW HIRES UPSKILL YOUR TEAM

Edge Factor partners with communities, local school districts, chambers, and local companies to inspire people to explore, prepare, and connect on their career journey.

 **FREE:** Help students, educators, jobseekers and people in your community (and beyond) learn about your company! Login to add/edit your Organization Page.

 **PREMIUM:** Gain instant access to thousands of tools inside the Edge Factor platform, to onboard and upskill team members with technical and soft skills. Add profiles on your Training Programs, Career Paths, Apprenticeships, and more.

 **ADD-ONS:** Edge Factor films modular content and creates digital badges, learning objects, and experiences with interactive activities and Educator lesson plans. Showcasing local companies, careers, and opportunities, we share inspiring stories, Career Profiles, virtual field trips, Technical and Soft Skills, STEAM on-the-job, and more.

We support communities through platform memberships, virtual & live events, and media creation.
